Information on the Secondary Education Implementation Credit Allocation Grant

1. POLICY STATEMENT

The availability of appropriate learning resources is a significant factor in providing students with quality education. To assist school authorities in implementing Secondary Education programs to Alberta grade 7 to 12 students, Alberta Education will provide additional funding through the Secondary Education Implementation Credit Allocation Grant (SEICAG) to school boards and funded Categories 1 and 2 Private Schools in purchasing specific eligible learning resources from the Alberta Learning Resources Distributing Centre (LRDC).

2. ELIGIBILITY

- a. \$14 per eligible grade 7 to 12 student has been allocated as a credit at the Learning Resources Distributing Centre toward the purchase of learning resources listed in this section.
- b. All school authorities receiving the School Foundation Program Fund per pupil instructional grant; namely, Divisions, Counties, Districts and DND Schools, and funded Category 1 and 2 Private Schools are eligible to receive the \$14 per pupil credit.

3. OPERATIONAL PROCEDURES

- a. Alberta Education will determine the amount of the credit on a school authority basis by multiplying the number of eligible, September 30, 1987, grades 7 to 12 students by \$14. Eligible school authorities have been notified of the amount of the Credit Plan Grant through a February 8, 1988 SEICAG Information Package from Carl Daneliuk, Assistant Deputy Minister, Finance and Administration Division.
- b. The specific learning resources that qualify for the credit are identified in this supplement.
- c. Upon receiving a purchase order for SEICAG eligible learning resources, the LRDC will automatically apply the amount of the purchase against the school authority credit amount.
- d. The LRDC will record and report SEICAG purchases by individual school, on behalf of the school authority, if requested. The purchase order must identify the school as a "ship to" customer. The automatic charging against the school authority credit ceiling will continue until the credit limit is reached; at that point, regular LRDC billing would occur.
- e. The "Basic" Learning Resource Acquisition 25% Subsidy will be applied to qualifying SEICAG orders first; the remaining cost (i.e. 75%) will then be applied against the credit. This means that a credit of \$14.00 will actually purchase a "Basic" resource valued at \$18.65.
- f. Purchases can be made against the credit from June 1, 1988, to March 31, 1989; unexpended SEICAG amounts will "lapse" April 1, 1989.
- g. There will be no retroactivity of this grant prior to June 1, 1988; however, the LRDC is prepared to "hold" SEICAG purchase orders received prior to June 1, if so instructed by a school authority.
- g. Purchase orders containing SEICAG qualifying learning resources will be automatically applied against the credit unless specifically and clearly requested otherwise by the ordering school or school authority. Therefore, if a school does not want a particular purchase order charged against the credit, the purchase order should clearly make that request.
- h. For annual financial accounting and reporting purposes, a receiving school authority should show the amount of credit allocation received (utilized) as a Provincial Grant Revenue and also as an expenditure.

IV

LRDC "Recording and Reporting" Assistance to School Authorities

1. To assist school authorities in managing purchases charged (expended) against this grant credit, LRDC monthly statements will provide:
 - (a) School authority SEICAG cumulative total broken down by subject.
 - (b) Cumulative totals expended or charged against the credit by individual schools; only if option chosen (see IV.2 below).
 - (c) Comparison of credit allocation cumulative total with the actual school authority ceiling.
 - (d) Comparison of individual school cumulative total with the locally established school ceiling (option; see IV.2 below).
2. The LRDC has established a program to assist school authorities in managing locally determined credit sub-allocation ceilings on an individual school basis. To implement this "optional" supportive aspect, the Superintendent, Business Official, or Private School Operator, must inform the LRDC that they want the LRDC to record and report the "school ceilings" option. It must be noted that the LRDC can record and report credit charges to a school only if the purchase order identifies the school (usually in the form of a "ship to" customer).
3. See the February 8, 1988 SEICAG Information Package sent to Superintendents, Secretary Treasurers and Private School Operators for details regarding "opting-in" for the recording and reporting provision.
4. LRDC invoices will identify SEICAG purchases.

V

Contacts for Further Information and Assistance

1. Lloyd Symyrozum, Curriculum Design Branch Director (427-2984) and/or Adrien Bussiere, Language Services Branch Director (427-2940) should be contacted for information regarding the listing of SEICAG resources.
2. Gary Baron, Grants Administration Manager (427-2051) should be contacted for information regarding the number of eligible pupils and grant amount.
3. Mona Megley, LRDC Customer Services and Sales Manager, or Ralph Goddard, LRDC Associate Director of Operations (427-2767) should be contacted for any assistance or information regarding the application and administration of this grant.

I. GENERAL INFORMATION

1. PURPOSE AND USE OF THE BUYERS GUIDE

The major purpose of the Alberta Learning Resources Distributing Centre (LRDC) Buyers Guide is to provide a product listing of all learning resources that the LRDC carries in active stock so that teachers, administrators, students, parents and other customers can easily purchase required educational resources through mail order or telephone order.

2. AVAILABILITY OF BUYERS GUIDE TO CUSTOMERS

Ideally, every teacher, department head, supervisor and administrator should have access to a copy of the LRDC Buyers Guide. Since there are close to 6,000 individual product listings with many repeated under numerous headings, the sheer volume of the Buyers Guide makes it impractical to provide a copy to each teacher.

The Buyers Guide should be placed in a location where it is easily accessible to teachers. It is equally important to insert LRDC Supplements into the Buyers Guide to ensure the most current listing of authorized learning resources. Some preferable locations for placing the Buyers Guide are; Staff Room, School Library, Principal's Office and Department Head Offices.

The LRDC requests that the school administration notify each teacher that the Buyers Guide is available, where copies are placed for their use, and how to order from it. Teachers may want to refer parents and students to the Buyers Guide in the event the parent may want to purchase additional resources for their child.

3. DISTRIBUTION OF THE BUYERS GUIDE AND SUPPLEMENTS

a. Distribution Basis and Timing

In late April of each year, a complete set of new inserts will be distributed to each school jurisdiction Central Office for further redistribution to their individual schools. The distribution ratio from the LRDC is an average of 1 to 3 inserts per school and the same for Central Office usage. Central Office will redistribute the Buyers Guide inserts to their own schools using their own criteria, but no less than 1 set of inserts per school. Schools that have no formal Central Office such as Private Schools, Indian Schools, Northwest Territories Schools, etc., receive one copy directly from the LRDC. Additional Buyers Guide, binders and inserts are listed for sale on Page 445.

b. Replacement of Buyers Guide Inserts

REMOVE AND DISCARD THE OLD BUYERS GUIDE LISTING INSERTS INCLUDING THE INTRODUCTORY MATERIAL, EXCEPT THE "TAB" DIVIDERS, AND REPLACE THEM WITH THE NEW LRDC BUYERS GUIDE INSERTS.

c. Supplements

The LRDC distributes Buyers Guide Supplements in early June and in late fall, providing there are a sufficient number of new authorizations.

If there are a large number of new authorizations in late fall, then a third Supplement may be provided in January or February of the new year.

d. Customer Comments on Distribution Basis of Buyers Guide

The LRDC is interested in providing the Buyers Guide to customers in a way that meets specific customer needs. Please phone or write the LRDC Customer Services and Sales Department, in care of Mona Megley, Customer Services and Sales Manager, if you have suggestions as to the distribution basis.

4. LRDC MISSION AND CUSTOMER SERVICE

NOTE: Elimination of Front Counter Service

As part of a cost-cutting measure, the LRDC closed down its counter sales effective October 31, 1987, since it was a high cost - low return business activity. The LRDC asks you to once again inform your staff and students that the LRDC sales counter is closed. However customer "cash" orders can be mailed or dropped off at the LRDC and the completed order mailed direct to the customer.

a. Learning Resource Availability and Quality of Education

Educational research has unequivocally shown that the quality of education, in part, is the result of the appropriate type and adequate number of learning resources that are available to teachers and students. Text books and other learning resources are primary determinants of what is taught in classrooms, and since learning resources are the focus of up to 75% of a student's classroom time, the availability of learning resources is a significant factor in the quality of education of a student.

b. LRDC Mission/Purpose

The mission of the Learning Resources Distributing Centre is to provide customers (students, teachers, administrators, instructors, professors, parents, etc.) with required learning resources in a timely, economical, accurate and courteous/business-like fashion.

c. LRDC Commitment to Customer Service

Underlying the LRDC mission is a strong commitment by the LRDC management and staff to a high quality of customer service and relations. If you have any difficulties or problems in your business dealings with us, please contact the Customer Services and Sales Section at (403) 427-2767.

d. LRDC Customer Feedback/Communication Form

To facilitate quick and easy communication, the LRDC has provided a form on Page 25 for customer feedback.

5. PRICING INFORMATION

a. Pricing of Basic and Other Learning Resources

The LRDC has net prices listed for all learning resources in the Buyers Guide. A 25% basic learning resources acquisition subsidy is deducted from the net price and is provided to eligible school authorities when purchasing "Basic" learning resources as identified in red and the " * " symbol in the Buyers Guide.

b. **Selling Price Determination**

One of the major objectives of the LRDC is to ensure that learning resources are economical and affordable. The LRDC operates on a break-even financial objective, and to that end, has a cost recovery mark-up on all products sold. There are two primary determinants of the LRDC Selling Price: (1) Unit Cost of products to the LRDC from publishers/vendors/suppliers, and (2) LRDC mark-up to cover operating costs.

c. **Reduction in LRDC 1988-89 Selling Price Mark-up**

The LRDC undertook a series of internal operating cost-cutting and cost-avoidance measures over the last two years. This was very difficult as the LRDC was simultaneously trying to rebuild its capacity in terms of facility, technology, organization and work flows. Some of the major cost-cutting measures were: (1) three positions were abolished, (2) the Director's span of control extended, and (3) elimination of counter sales as of October 31, 1987. The result is a 2.5% decrease in the LRDC selling price mark-up for April 1, 1988-89. However, since publishers have increased their prices to the LRDC for 1988-89 by an average of about 7.0%, the general net impact on prices to LRDC customers is an average 5% increase in the cost of learning resources.

d. **Price Changes**

Although subject to change without notice, prices will be maintained, so far as possible, until March 31, 1989. Other than some vendor price increases during the year, major price changes take place April 1 of each year.

6. **25% "BASIC" LEARNING RESOURCES ACQUISITION SUBSIDY**

Details on the 25% subsidy for "Basic" learning resource acquisition is as follows:

- a. The 25% subsidy is a "pass through" grant provided by the Alberta Government through the Alberta Department of Education School Grants budget. The LRDC bills Alberta Education for the amount of the 25% subsidy given to customers. This represents a "split-billing" approach: the customer is billed direct for 75% of the selling price while Alberta Education is billed for the remaining 25%.
- b. The 25% subsidy is made available to eligible school authorities and is applied to the selling price of any "Basic" learning resources that have been authorized by Alberta Education.
- c. The types of school authorities that are eligible for the 25% "Basic" learning resource acquisition subsidy are:
 - i. All school authorities receiving the School Foundation Program Fund Per Pupil Instructional Grant, namely, Divisions, Counties, Districts and DND Schools.
 - ii. Approved Categories 1 and 2 Private Schools eligible to receive per pupil grants.
 - iii. Band Operated and Federal Government Administered Indian Schools.

- iv. The Faculties of Education at the University of Alberta, Edmonton, University of Calgary and University of Lethbridge.
- v. The Alberta Correspondence School.
- d. Eligible school authorities must complete a one-time grant application form (refer to the "Basic" Learning Resources Acquisition Subsidy Grant instructions in the Alberta Education School Grants Manual for more information) in order to qualify for the 25% subsidy. If an "eligible" school authority, as described in (c) above is presently not receiving the subsidy, then the application form must be submitted to the Director of the LRDC for review and approval.
- e. To qualify for the 25% subsidy, the eligible school authority must provide the authorized "Basic" learning resources to all Grades I - XII students under their jurisdiction as free loans, or rent them at no more than one-third of the current "net" cost of the resources purchased from the Learning Resources Distributing Centre.
- f. Each school authority should have an official motion by the governing board regarding the annual rental fee (even if the resources are provided to students free of charge); as well, an operating policy and procedure statement should be in place. The 25% subsidy does not apply to "Basic" learning resources purchased for resale.
- g. Section Three of the Alberta Education Program Policy Manual provides further information with respect to Alberta Education policies and procedures associated with the "Basic" Learning Resource Acquisition Subsidy Grant Program and the monitoring conducted by Alberta Education (School Business Administration Services Branch).

7. IMPROVEMENTS IN THIS YEARS BUYERS GUIDE

As a direct result of customer feedback, improvements in this years Buyers Guide are:

- a. Earlier distribution - last week of April 1988
- b. Addition of "Author" to listings
- c. Addition of "Publisher/Supplier" to listings
- d. Identification and notation of new learning resources authorized since the last annual (1987-88) Buyers Guide issue
- e. Additional supplement identifying eligible resources under the new Secondary Education Implementation Credit Allocation Grant
- f. More meaningful and useful Unique Product Code structure for Diploma Examinations and Achievement Tests
- g. More readable printing and formatting
- h. Listing of a Publisher Index in the Buyers Guide
- i. Addition of Customer Feedback/Communication form
- j. Revision of returns instructions

8. KEY FEATURES IN THE BUYERS GUIDE

- a. "Basic" learning resources are denoted by the colour red in the Buyers Guide. In addition, the number symbol " # " is also used to denote a "Basic" learning resource. Please note you will lose the benefit of color when you reproduce pages for ordering purposes.
- b. Authorized "Basic" learning resources that may be changed within three years (identified by an asterisk " * ").
- c. Identification of "Basic" and "Recommended" learning resources that are still authorized, but no longer available (these are "blocked-in" at the beginning of each subject listing).
- d. Authorized "Basic" and "Recommended" learning resources which are to be "withdrawn" from the Alberta curriculum in June 1989.
- e. Atlases, globes and maps are listed under "Social Studies" in the Elementary, Junior and Senior High Sections. To assist customers in ordering, they are relisted under the "General Learning Resources" category for each grade level.
- f. Dictionaries were previously listed only in the High School Section of the Buyers Guide. For customer convenience, appropriate dictionaries are listed under the "General Learning Resources" categories for each grade level and entitled "Dictionaries."
- g. Productivity software that has been authorized for a given subject will be listed under the subject and grade. However, since productivity software is "not subject and grade specific", it is also relisted under the "General Learning Resources" category in the Elementary, Junior and Senior High Sections.
- h. Year of publication/copyright and edition of each product, where appropriate, is included in title.
- i. ISBN number for each product where an ISBN has been assigned (last item in product description - not to be used for ordering).
- j. Products which are limited in quantity because the product is out of print and no longer available from the publisher/vendor. This information is identified in the following way: (limited quantity - out of print).
- k. There are a few products which the Buyers Guide lists but the LRDC does not stock because of high cost and very low sales. This information is provided in the Buyers Guide in the following way: "special order only".

9. LRDC UNIQUE PRODUCT CODE (UPC) FOR ORDERING AND INFORMATION PURPOSES

a. Code Structure

In order to make customer ordering easier and more accurate, as well as to provide customers some "instant" information about an LRDC product, the LRDC developed what is called the "LRDC Unique Product Code." THE LRDC UNIQUE PRODUCT CODE SHOULD ALWAYS BE USED BY CUSTOMERS WHEN ORDERING LEARNING RESOURCE PRODUCTS FROM THE LRDC. This code uses Alberta subjects and grades as the basic building blocks of the primary information fields, and is made up of eight numbers as illustrated below:

Field #:	1	2	3	4
	<u>X</u>	<u>X</u> <u>X</u>	<u>X</u> <u>X</u>	<u>X</u> <u>X</u> <u>X</u>
Field 1: LANGUAGE OF INSTRUCTION (0 OR 1)	_____			
This <u>1 DIGIT NUMERIC CODE</u> indicates whether the specific learning resource is used in (a) English as a Language of Instruction including non-English subjects and denoted by the <u>#0</u> or (b) French as a Language of Instruction pursuant to Section 159 of the Alberta School Act and denoted by the <u>#1</u> . The code is either 0 or 1.				
Field 2: SUBJECT (or product type)		_____		
This <u>2 DIGIT ALPHA CODE</u> identifies the <u>subject</u> the learning resource is authorized or suggested for use in (for example CH is Chemistry, LA is Language Arts, FR is French, etc.) or type or product such as XG for Maps/Globes/Atlases/ Dictionaries				
Field 3: GRADE (range is 01 to 12)			_____	
This <u>2 DIGIT NUMERIC CODE</u> identifies the <u>lowest grade</u> the learning resource is targeted to be used in (for example, 03 is Grade 3, 11 is Grade 11, etc.)				
Field 4: ACCESSION NUMBER (range is 001 to 999)				_____
This <u>3 DIGIT NUMERIC CODE</u> is simply an accession number which is applied chronologically starting at 001, to new products added for each grade/subject specific area.				

The LRDC Unique Product Code is simple and easy to use and provides the customer some instant information about an LRDC product by referring to the code numbers. The examples on the following pages illustrate (a) the simplicity of the code, (b) how it will help improve accuracy when customers order products from the LRDC, and (c) how to easily identify the subject, lowest grade and language of instruction that any LRDC learning resource is targeted for use in.

10. LINKAGE OF LRDC BUYERS GUIDE TO ALBERTA EDUCATION PROGRAM OF STUDIES AND CURRICULUM GUIDES

Alberta Education reviews and authorizes classroom learning resources as either "Basic", "Recommended" or "Supplementary." Teachers are encouraged to consult the applicable Alberta Education "Program of Studies" and "Curriculum Guides" to identify appropriate learning resources and review the suggestions on learning resource usage in the classroom.

11. TYPES OF MATERIALS LISTED IN THE BUYERS GUIDE

- "Basic" and "Recommended" Learning Resources (print, non-print and electronic) authorized by Alberta Education
- Standardized Tests provide a test instrument for measuring student achievement, occupational preference, aptitude, interest inventory, cognitive abilities and school aptitudes.
- French Instruction learning resources for schools who offer instruction in French pursuant to Section 159 (1) (a) of the Alberta School Act (1971).
- Pre-administered Diploma Examinations (Grade XII) and Achievement Tests (Grades 3, 6 and 9) used as study copies by teachers and students.

- e. "Support Documents" designed primarily to communicate suggestions and offer alternatives as to how or why provincial policies or programs could be implemented, eg. monographs, manuals, teaching units, etc., as well as miscellaneous materials such as "Behavior Disorders Manual" and "Classroom Organizer."
- f. **Software.** The LRDC stocks educational courseware (software that is subject and grade specific) and productivity software (software that is not grade or subject specific). There are many problems in dealing with software such as warranty, custom templates, upgrades, new versions, licensing, single copy users, network versions, class packs, etc. When placing an order for software or courseware, please analyze your needs carefully. **SOFTWARE RECEIVED AND OPENED BY A CUSTOMER IS NOT RETURNABLE.**

User Support.

- i. Please consult the Alberta Education report(s) entitled "Computer Courseware Evaluations" for detailed information on software stocked by the LRDC. These reports are available for purchase from the LRDC and are listed in the "Support Documents" section of this Buyers Guide.
- ii. You may contact the appropriate staff in the Alberta Education Curriculum Design and/or Support Branches, and Language Services Branch, to obtain additional information about software.
- iii. Most software vendors have "User Support" telephone numbers listed on their material to enable customers to contact vendor software specialists for detailed information.

12. CUSTOMER AND BUSINESS SERVICES

a. Hours of Service

Learning Resources Distributing Centre (12360 - 142 Street, Edmonton, Alberta T5L 4X9) is open from 8:15 to 16:30 Monday through Friday.

b. Customer Order Inquiry

The LRDC attempts to fill customer orders within a 3 - 5 day turn-around time. However, during peak customer ordering periods, order filling time may be 5 - 10 days, depending upon the volume of customer orders. To improve customer services, the LRDC has developed a new Customer Order Inquiry System whereby the LRDC Sales Office can tell you the status of your order quickly and easily. The information our Sales staff can provide you is:

- i. Date of LRDC receipt/entry of your order
- ii. Date of creation of the LRDC instruction to have the warehouse pick and assemble your order
- iii. Date of shipment of your order
- iv. Status of back-ordered items

c. **Credit Terms**

Thirty-day credit terms are available to Alberta school authorities who are recipients of the "Basic" Learning Resources Acquisition Subsidy and who receive the Alberta Government School Foundation Program Fund Basic Per Pupil Grants. As well, these terms apply to approved schools in the Northwest Territories, Band Operated and Federal Government Administered Indian Schools, Universities and Colleges and other approved credit customers. Credit terms and charge accounts may be made available to other customers upon application.

d. **Prepaid Shipping**

LRDC prepays all outbound shipping charges only to customers in Alberta.

e. **Special Order Service**

The LRDC is prepared to special order non-stock "supplementary" and other titles listed in the Curriculum Guides, Resource Manuals, etc., as well as other educational materials which a teacher may need. Delivery of special order products normally requires 3 to 6 weeks. However, during the peak order filling season from July to September, priority will be given to filling regular stock orders.

To process your special-order requirements with a minimum time delay, please ensure that all order information is given. This includes publishers full title, series, author(s), edition, year of publication, publisher, ISBN code, etc. LEARNING RESOURCES PURCHASED ON A SPECIAL-ORDER BASIS ARE NOT RETURNABLE.

The LRDC has developed an electronic special-order ordering process to expedite orders for you. We are prepared to "confirm" that a special order has been placed for you, but you must first request the "confirmation". Special orders accompanying a regular stock order will be confirmed on the invoice and packing slip sent to you.

f. **Back Orders**

LRDC Product Planning involves the procurement and maintenance of adequate inventory levels during the school year while attempting to minimize inventory levels at year end. Occasionally a product ordered by a customer is out of stock. In such instances, we immediately initiate an order with the appropriate vendor/supplier and place the customer's outstanding order on a back order. A shipment from the publisher can take 2 to 4 weeks (longer if the supplier is also out of stock) and hence customers are encouraged to order products well in advance of the date they are required. Let us know if one of your back-ordered items is very a high priority.

During August and September, the LRDC uses an expediting back order process in order to obtain the products from our vendors more quickly, but at an increased expense. Please contact Customer Services and Sales Section if you experience many back orders and/or extended back-order delivery delays.

g. **Previewing**

A 10% handling charge on the "net" price will be charged for any learning resources ordered for "preview" purposes and returned. All returns must be in new resaleable condition.

h. Returns

The LRDC wants customers to have an easy and hassle-free method of returning products. To ensure the LRDC knows the reason for your return and the appropriate resolution (credit account, refund or replacement) please complete the "Returns Form" on Page 24 in the "Header" section and forward it to the LRDC. Please note a 10% handling charge is levied on "surplus" or incorrectly ordered learning resources.

i. Receiving LRDC Shipments

The LRDC makes every effort to send you the correct products ordered. Occasionally you may receive an incorrect shipment, a defective item or a product that was damaged in transit. Please check all shipments carefully as soon as they are received. DO NOT STAMP OR MARK ANY RECEIVED LEARNING RESOURCES UNTIL YOU ARE SATISFIED THAT THE CORRECT TITLE, EDITION, ETC. has been received. No learning resources will be accepted for adjustment or credit if they have been stamped or otherwise made unsaleable. Report any discrepancies to Customer Services and Sales (403) 427-2767 as soon as possible.

CAREER AND LIFE MANAGEMENT

As a result of the review of Secondary School Programs in Alberta, an additional diploma requirement for graduation called "Career and Life Management" (C.A.L.M.) has been mandated effective September 1988, with learning resources to be produced and available via the LRDC in August 1988.

In the interim, the following resources are approved as "Recommended Resources" and were used for the optional implementation in the 1987-88 school term. These resources will be reviewed once basic resources have been developed with the expectation that some of the resources will remain as "Recommended."

For your assistance, a suggested order quantity, in brackets, is listed after each resource. i.e. 1/Student = given to student to keep, Class Set = given to student but returned to school upon completion of course. For specific theme correlation, please refer to the recently prepared C.A.L.M. Curriculum Guide and Teacher's Resource Manual which are to be forwarded to schools.

STANDARDIZED TESTS

ORDERING INFORMATION

1. Useful Information To Consider

The following information should be carefully considered before selecting tests:

- a. School personnel planning to undertake assessments of exceptional children and (or) career assessments are advised to adhere to guidelines developed by the publisher's specific tests. Alberta Education is currently reviewing policy, guideline and procedure statement for the effective use of assessment devices. In the interim, please refer any questions to the Guidance Consultants in the Regional Office of Alberta Education in your zone.
- b. School personnel should note that some standardized achievement tests do not assess the same content at the same level as contained in the Alberta Education language arts, mathematics and science curriculum. It is suggested that school personnel consider the purpose for assessment and review the subject area content of their particular grade level as well as the content covered in the standardized achievement test prior to selecting the test.
- c. School Test Evaluation by the Center for the Study of Evaluation (CSE), at the University of California at Los Angeles, make use of the Mean Evaluation System for evaluating tests. This system consists of four major categories: Measurement Validity, Examinee Appropriateness, Administrative Usability and Normed Technical Excellences. School Test Evaluation reports and ratings are published by CSE for kindergarten through grade two.
- d. Alberta Education staff can give assistance in the design of testing programs and the selection of tests. School jurisdictions, schools, or teachers planning to initiate, modify, or evaluate standardized testing programs are encouraged to consult the Regional Office of Alberta Education in their zone or the Student Evaluation Branch and Records Branch - (403) 427-2948.
- e. Test Scoring Service

In 1984 Alberta Education discontinued the free test scoring service for NCS Answer Sheets. For additional information on Test Scoring Service for NCS General Purpose Answer Sheets, please contact the University of Alberta Computing Services. The contact person is Dan Precht (403) 432-2462.

**CANADIAN COMPREHENSIVE ASSESSMENT PROGRAM
(C.C.A.P.)**

C.C.A.P. consists of 3 test instruments.
Each test instrument may be used alone
or in conjunction with the other 2
instruments. Each test instrument is
statistically related and when used in
combination these 3 instruments provide
a complete profile of each student's
achievement, ability and attitude. The 3
test instruments are listed below:

1. Achievement Series
2. Developing Cognitive Abilities Test
(DCAP)
3. Skills Attitude Measure (SAM)

**C.C.A.P. - ACHIEVEMENT SERIES
by Raymond R. Danley
(Guidance Centre, 1980 Edition)**

Comprehensive Achievement Tests are
designed to provide users with a
simplified but thorough junior E.C.S.
through grade 9 information system, giving
users norm-referenced information in the
basic skills areas of reading, mathematics,
and language. Various levels also measure
student performance in word attack, study
skills, science and social studies.

To administer these tests you need:

- * Test booklets
- * Directions for Administration
- * Answer Sheets (for reusable tests)

To hand-score these tests you need:

- * Answer Key
- * Pupil Records and Class Analyzer

(D.C.A.T.)

The Developing Cognitive Abilities Test (DCAT) is a measure of learning characteristics for students in grades 2 through 9. All DCAT items involve both a content area and a cognitive level. Student performance is measured in 3 content areas: verbal ability, quantitative ability and spatial ability; and information is provided on the 5 cognitive levels of Bloom's taxonomy: knowledge, comprehension, application, analysis and synthesis.

To administer these tests you need:

C.C.A.P. - SCHOOL ATTITUDE MEASURE (S.A.M.)
by Raymond R. Danley
(Guidance Centre, 1982 Edition)

The School Attitude Measure (S.A.M.) is a multi-dimensional, self-report survey instrument developed to provide evaluation of students' affective responses to their school experience. S.A.M. covers Grades 4-9.

To understand better the performance of students in the school environment, it is useful to examine their perceptions of themselves as competent learners. Such information can be valuable in making decisions about program development, individual education planning, selection and placement of students for particular programs, guidance planning and the development of instructional standards and objectives.

The 3 levels of S.A.M. provide information on 5 attitude scales:

- * Motivation for schooling (Why I feel that I do things)
- * Academic self-concept, performance-based (How I feel about my school performance)
- * Academic self-concept, reference-based (How others view my school performance)
- * Student's sense of control over performance (How much control, or power I have over my school situations)
- * Student's instructional mastery (What I need to succeed and learn in school)

To administer these tests you need:

- * Test booklets
- * Directions for Administration
- * Answer Sheets

To record and interpret the results you need:

- * Individual Profiles
- * Teacher's Manual

CAREER AND LIFE MANAGEMENT

As a result of the review of Secondary School Programs in Alberta, an additional diploma requirement for graduation called "Career and Life Management" (C.A.L.M.) has been mandated for students entering Grade 10 effective September 1988. Additional resources will be authorized, including a basic custom-developed textbook, with teacher guide to be available in August 1988. Schools may preorder at this time on a full cost basis or under the SEICAG grant.

For your assistance, a suggested order quantity, in brackets is listed after each resource on page 195 of the 1988-89 Buyers Guide: i.e. 1/student = given to student to keep; Class Set = given to student but returned to school upon completion of course. For specific theme correlation, please refer to the recently prepared C.A.L.M. Curriculum Guide and Teacher's Resource Manual.
